

Proposed Land Use Objectives Relating to the Cariboo-Chilcotin

Notice is hereby given that, pursuant to Section 93.4 of the *Land Act*, land use objectives are proposed for establishment by legal order for the Cariboo-Chilcotin.

The land use objectives proposed for establishment include: seral targets for mature and old forest, wildlife tree retention, old growth management areas, critical habitat for fish, community areas of special concern, lakes management, riparian areas (selected stream, wetland, lake), mature birch retention, grasslands, scenic areas, backcountry and trails, key wetlands for moose, and grizzly bear. They apply to the area of the Cariboo-Chilcotin Land Use Plan as shown in map 1 of the proposed order and include the Quesnel, Chilcotin, Central Cariboo and 100 Mile House Forest Districts. These objectives will be binding for the purposes of the *Forest and Range Practices Act*.

The public is invited to comment on the draft order for a 60-day review period, commencing with the date of this advertisement.

After the review period, when the final order is signed, the land use objectives in the order will take effect on the date that the notice of the order is published in the Gazette.
